

August 1, 2011

Dear Parents/Guardians:

My name is Kelly Von Mock; I'm the new DRE for Blessed Teresa of Calcutta Catholic Church. I recently moved to this parish from Riverton, IL when my husband, George began a new job at Mercy Medical. George and I are both in the accounting field and I currently work for HCI Distribution in Winnebago, NE. We have been married for 21 years and have two children, Khory, age 19, a student at WIT and Audrey, age 10 a student at Dakota Valley.

The 2011-2012 Blessed Teresa of Calcutta religious education classes are just about ready to begin. Our first night of class will be on Wednesday, September 14 for grades K-5 we will have class from 6:15 – 7:15; Grades 6-10 will be meeting from 7:30 – 8:30.

Please find enclosed a registration form, discipline policy/notice and schedule. If you haven't registered your child, please get them registered by the deadline which is September 7; this will assist with classroom assignment and help our teachers prepare. Please note that if your child/children are 2nd grade and above they must also sign the discipline policy and one form must be completed for each child within your household attending PRE classes.

You can mail the registration and discipline policy to the rectory or drop it into the collection basket. If you lose these forms, extras can be found on the church's website: www.btcp parish.com.

I look forward to meeting each of you during registration, at the first class or before/after mass. Please know that I am an aide in the process, along with Father Bob, as you as parents are the first educators of your children.

If you have any questions or concerns, please call Father Bob Lacey or myself.

See you on September 14!

With warmest regards,

Kelly L. Von Mock, DRE
